

CODE OF CONDUCT

RG Mekaniska aims to create added value for customers, employees, suppliers, and owners, while also contributing to sustainable societal development. We are committed to good business ethics and strive for long-term and trustworthy relationships. Therefore, the Code of Conduct shall serve as guidance for employees and business partners to always act with integrity and good judgment.

Business Principles

- We comply with laws and regulations
- We act ethically

Stakeholders

- We prioritize a safe working environment and health
- We promote equal treatment and diversity
- We do not tolerate abusive behavior or discrimination
- We do not accept forced labor, debt bondage, or child labor
- We uphold the right to freedom of association
- We advocate for fair employment conditions

Environment

- We care for the climate and environment
- We work to reduce the environmental impact of our operations
- We impose requirements on our business partners
